Professionals meeting professionals in an open exchange of information and expertise. At Dentons, we believe this can be one of the most beneficial means of communication between ourselves and our clients. Through lectures, seminars and other similar events with civic and trade organizations, you'll learn the latest thoughts on areas that impact your business most. Meet with industry experts. Discuss their ideas. Express your opinions. It's the ideal venue for staying on top of what's new locally and globally.
