

Dentons Muñoz expands in Nicaragua

July 24, 2019

Less than a year since its office opening in Managua, the Dentons Muñoz Nicaragua is expanding, hiring two seasoned attorneys to join the team.

Oliver Salazar is an experienced litigation attorney with over 20 years of experience in Civil, Corporate and Commercial Law, Banking and Finance, and Dispute Resolution. His success rate in the Nicaragua courts makes him a feared adversary for those who find themselves on the opposite side of the courtroom. He will join Dentons Muñoz as of Counsel.

“Welcoming Gabriel and Oliver to the firm will, no doubt, strengthen our client service offering and expand the capabilities of our accomplished team. Our colleagues in Nicaragua and Central America, as well as our local and regional clients will benefit from their knowledge and experience in multiple areas of law” said Edgard Torres, Managing Partner of Dentons Muñoz in Nicaragua.

“We are truly impressed by the quick growth and positioning the Dentons Nicaragua team has been able to achieve in such a short period of time and under such difficult national circumstances. To have a need to grow the team so quickly is a testament to the hard work Edgard and the team has put forth to get the Dentons name out to the public” said José Antonio Muñoz, Regional Managing Partner.
