

# Dentons Muñoz Nicaragua promotes Sarybel Abad as Associate

September 29, 2021

Dentons Muñoz is pleased to announce Sarybel Abad Valenti promotion as a new Associate to its lawyer ranks, effective August 30, 2021.

Sarybel Abad is an associate in Dentons Muñoz' Corporate practice in Nicaragua. She advises local and international clients in their day-to-day activities in Nicaragua, including commercial transactions and corporate governance matters.

Her experience includes guiding and providing legal counsel to companies from a wide range of industries, such as energy, technology, communications and real estate, during all stages of their operations, specializing in financing, mergers and acquisitions, incorporation of new entities, dissolutions, and different kinds of negotiations with government institutions in Nicaragua. In addition, her practice includes assistance in compliance programs and structuring local and international projects with local and foreign investment. Her practice also includes assistance in compliance programs and structuring local and international projects with local and foreign investment.

This promotion support Dentons Muñoz's strategy to help develop the rising talent within the firm and its commitment to diversity and inclusion. Sarybel adds further bench strength to our already recognized corporate expertise.

We congratulate Sarybel and wish her every success.
