Overview

Fernando Aued is the partner in charge of the Firm's Litigation Practice in our Panama office. Fernando's experience in litigation and dispute resolution mainly focuses in civil, commercial, administrative and maritime litigation and commercial arbitration.

His experience includes the management and participation in cross-border disputes, as well as complex cases with international components. Fernando regularly advises local and international clients of the Firm on commercial and civil matters, as well as on procedural matters.

Fernando also has a solid experience in regulatory matters, in particular in the energy and telecoms sectors, assisting clients with legal advice, processing permits and licenses, filing and defending claims before regulators, and the Supreme Court of Justice.
