

Overview

Dentons is recognized as a leader in government relations throughout Central America. Clients rely on our decades of political experience and our substantive knowledge of government policy, legislation and regulation. Our understanding of the political realities throughout Central America is unmatched.

Our team has managed some of the most significant government transactions in Central America. Our counsel has proven invaluable to global corporations seeking guidance on regional, national and local government issues. Understanding the local and national legislative landscape, Dentons helps develop legislative and regulatory strategies that give our clients a competitive advantage.

Draw on our remarkable experience with government and legislative representatives, and gain valuable insider perspectives into the successful management of business and government. We provide a full suite of service to help clients achieve their legislative and public policy goals in areas including:

- Health care
- International trade
- Land use and project development
- Legislation drafting
- Legislative strategy and advocacy
- Privacy, data security and cybersecurity
- Public finance
- Public law
- Public sector consulting
- Public policy and political trends
- Public-private partnerships (P3/PPP/PF2)
- Strategic planning and implementation
- Tax
- Telecommunications
- Transportation policy
