

Overview

Central America's most recognized rail, air, shipping and logistics companies rely on Dentons to help them navigate the complex legal challenges in the transportation industry.

We understand the nuances of this industry and have unparalleled experience providing sound legal strategy and valuable advice. Giving you an additional competitive advantage, our transportation team works closely with colleagues on issues involving antitrust, environmental regulations, finance, international trade, labor law, litigation and taxation.

Whether at the local, regional or national level, rely on Dentons to handle a wide variety of commercial and regulatory issues in sectors including:

- Aviation, including airlines
- Airports
- Buses
- Cargo and freight delivery
- Insurance
- Ports
- Rail (passenger and freight)
- Shipping
- Taxis
- Third-party logistics (3PL)
- Trucking
