

Overview

Dentons Muñoz is changing the way legal services are delivered to legal departments by providing a one-stop shop of quality advice, same-day responsiveness and in-depth business perspective. This holistic approach helps you save time and money, and meets your legal department's needs.

To handle your legal department's daily operations in any practice area, we design a program that is:

- High-quality
- Tailor made
- Cost effective
- Responsive
- Solution-oriented
- Risk managed

Our legal services platform includes delivering resources, technology, and law department management tools, such as outside counsel, litigation, contract, knowledge management and budget management. We also provide general management advice, contract drafting and review, employment matters, legalization of documents, maintenance of legal entities in the region defined by the client, and local input regarding legislation applicable to the client's commercial activities.

Additionally, many clients participate in our GC Leadership Circle to share best practices. It serves as a space for GC's and Legal Department heads to network, collaborate, and problem-solve.

Benefit from the our innovative platform you need to find reliable solutions.
