

Overview

The Mergers and Acquisitions team at Dentons Muñoz is one of Central America's most talented, having earned an excellent reputation for handling complex negotiations and transaction structures. We have acted as counsel in the planning, negotiation and execution of many of the largest and most complex M&A deals in the region, representing both buyers and sellers.

We have a solid track record of success advising local and foreign clients on mergers, business unit spinoffs, tender and exchange offers, leveraged buyouts, strategic alliances, collaborations, joint ventures, acquisitions and divestitures. With multi-jurisdictional knowledge and experience across many industries, our lawyers can analyze unique sector issues to create the appropriate transaction structure, from both a corporate perspective and a tax perspective.

Dentons Muñoz represents clients from a broad range of industries, including:

- Aviation
- Manufacturing
- Pharmaceuticals
- Renewable energy
- Technology
- Telecommunication
- Finance
- Agrochemical
- Food and beverage
