

Overview

Dentons Muñoz's Public Law team works closely with government authorities and other public institutions to design innovative business structures, including public-private partnerships. Recognized for our in-depth understanding of complex legal issues throughout Central America, we partner with public and private entities to coordinate the development of infrastructure projects throughout the region.

Benefit from our solutions-oriented services, and work with a best-in-class team of experienced, diverse public law professionals.

Key services include:

- Alerting to upcoming government procurement projects
- Navigating government procurement processes
- Ensuring constitutional, legal and regulatory norms are interpreted in accordance with international standards
- Addressing sector-specific business issues
- Advising on sanctions, claims, judicial proceedings and arbitrations
