

Venture Technology and Emerging Growth Companies

Overview

Dentons understands entrepreneurs and the challenges they face. That's why cutting-edge tech visionaries, entrepreneurs and emerging growth companies turn to us for the results-driven solutions that deliver a competitive advantage.

From protecting intellectual property to financing deals, our team regularly represents public and private emerging growth companies and entrepreneurs. We also serve the needs of the venture capital and private equity firms that support our clients. Our outstanding experience and commitment to responsive communications ensures that our clients thrive in the fast-paced, ever-changing venture technology world.

Benefit from a team that regularly represents companies in the following sectors:

- Advertising and marketing
- Computers and networking
- Consumer products
- Electric vehicles
- Health care
- Internet, e-commerce and social media
- IT security
- Life sciences and biotechnology
- Medical devices
- Renewable energy
- Software
- Software as a service (SaaS)
- Telecommunications
- Transportation
