

# Innovation is at the core of Dentons' strategy: technology is at the heart of our business

March 31, 2020

In these times, and to cushion the interruptions to its businesses, Dentons is pleased to make available to our clients the following technological tools, to maintain the security and immediacy that their businesses require.

**Direct** a collaborative platform that allows teamwork and management of your documents.

You can contact us by **email** or **Intercall**.

To help our clients around the world safeguard the health and well-being of their employees and understand their legal responsibilities as employers, our Global Labor & Employment teams have produced a comprehensive **COVID-19 Global Labor & Employment Tracker** across more than 50 countries.

We will share important news and updates from Central America and the world through our dedicated **Global COVID-19 Hub**, which houses over 200 articles, which you can review at any time.

Additionally, we will keep you posted through our social media **LinkedIn** or **Facebook**.

There has never been a more convenient time for connection and conversation. And as such, we will continue to connect with you through virtual meetings, conferences, or webinars using platforms such as **BlueJeans**, **Microsoft Teams**, and **Adobe Connect**.

Our business is based on strong relationships with our clients, and, for this reason, we have long used tools that allow us to follow connected with you and your team in a safe, reliable, and immediate way.
