Overview

Miguel Ángel is Head of the Dentons Muñoz Zacapa's Notary Department. He has more than 30 years of experience providing legal advice to local, foreign, multinational, and government clients in different areas, including corporate, constitutional, procedural, administrative, commercial, tax, labor, and civil law and providing notary services.

He is an attorney with extensive experience, specializing in government procurement and acquisitions, competitive selection processes under Public-Private Partnerships (PPP), and public and private trusts.

Experience

Miguel Angel has also held several different offices in public and private service, including, among others, General Coordinator of the Efficiency and Transparency Program for Government Purchases and Acquisitions (UPET - Inter-American Bank for Development), Director of the Regulatory Office for Government Purchases and Acquisitions (ONCAE), and Executive Director, Legal Counsel, Fiscal, and Founder of the Country Chapter for Honduras of Transparency International. Within the Judiciary, he also worked as Prosecutor for the Second Criminal Court of the Department of Francisco Morazán, and Family Court Judge in Tegucigalpa.
