

Seamless Immigration Process

We design and implement successful immigration strategies to reach your business goals.

We guide you through local and international immigration processes and keep you updated on the progress and regulations that affect your business.

Immigration Solutions:

- Coordinate and facilitate immigration for executives, workers, investors, entrepreneurs and their accompanying family members.
- Company registration at the Immigration Authority
- Temporary residency permits for company executives, retirees and "rentistas"
- Digital nomads
- Permanent residency permits
- Work permits
- Change of immigration status from temporary residency to permanent residency
- Applications for special immigration categories
- Citizenship options
